

STEWARDSHIP COMES WITH OWNERSHIP

The meandering creeks, tall grasses, galleries of cottonwoods and majestic views of the Grand Tetons create the ideal opportunity to live in an authentic nature reserve. The Resident Naturalist provides homeowners with an extraordinary connection to the environment.

The bald eagles, trumpeter swans, elk, red fox, cutthroat trout and great horned owls welcome your interest in the unique 35-acre Ranches available in the heart of the Greater Yellowstone Ecosystem. Only four miles from downtown Jackson, the year-round community also offers a private 18-hole Rees Jones golf course, clubhouse and fitness center, three world-class spring creeks, snowshoe adventures, fly-fishing, nearby skiing and a Director of Outdoor Pursuits to arrange all of your activities. The experiences are boundless, but ownership opportunities are limited. Other residential offerings include Cabin Homesites averaging over one-half acre and 2- to 5-acre Estate Sites.
