

DESIGNED BY REES JONES AND MOTHER NATURE.

A private 18-hole Rees Jones golf course is only one of the reasons to live in the majestic natural sanctuary known as 3 Creek Ranch. Other diversions include three world-class spring creeks, snowshoe adventures, fly-fishing seminars, nearby skiing, a Nature Center and Outdoor Pursuits Program, plus a clubhouse and fitness center adjacent to the fairways. The experiences are boundless, but the ownership opportunities are limited. They include cabin homesites averaging over one-half acre, two- to five-acre estate sites and 35-acre ranches.

This material is intended to encourage the sale of real property at the 3 Creek Ranch, Teton County, Wyoming. This material does not constitute an offer to sell nor a solicitation to buy in any state where registration is required if such registration requirements have not been fulfilled.
