

A WORTHY VENUE FOR THE GREATEST GAME EVER PLAYED.

A private 18-hole Rees Jones golf course is only one of the reasons to live in the majestic nature reserve of 3 Creek Ranch. Other diversions include three world-class spring creeks, fly-fishing seminars, snowshoe adventures, nearby skiing, a Nature Center and Outdoor Pursuits Program. The experiences are boundless, but ownership opportunities are limited and include cabin homesites averaging over one-half acre, 2- to 5-acre estate homesites and 35-acre ranches.

This material is intended to encourage the sale of real property at the 3 Creek Ranch, Teton County, Wyoming. This material does not constitute an offer to sell nor a solicitation to buy in any state where registration is required if such registration requirements have not been fulfilled.
